

SEI KEIN HORST DEMONSTRATION

**WILLY

PLATZ
17.09.
18:30**

Meeting point: Willy-Brandt-Platz, Frankfurt (U1, U2, U3, U5, U8 and tram 11 and 12)

We will protest against the visit of the German interior minister Horst Seehofer in Frankfurt. Horst Seehofer is in favor of the closure of the borders, deportations and he is against the emergency rescue on the Mediterranean Sea. For this reason we registered a demonstration at the town hall and got the permission to protest. Come and protest together with us for the rights of refugees! We are from the „Seebrücke“. This is an europe-wide initiative. We stand up for the need to rescue the people from the boats, with which they cross the Mediterranean Sea. We demand from the city of Frankfurt, to agree to accept refugees directly from the sea. And we demand, that the laws in Frankfurt are arranged in such a way, that all the people who live here, can live a good life.

You are very welcome to join in and come to our meetings. The meetings will be announced on our Facebook page. If you need translation at the meeting, please send us a message beforehand.
